OFFICIAL BUSINESS

THE VICE PRESIDENT

November 15, 2023

I am honored to extend my warmest greetings to the distinguished guests and leaders of the NewDEAL as you convene for your 13th Annual Leaders Conference.

Since its founding, the NewDEAL has empowered leaders with the networks, information, and opportunities necessary to support the communities they represent. I am grateful for your focus on community development, innovation, and safeguarding political rights in addition to the health, safety, and well-being of people across our country.

To the leaders gathered today, I am inspired by your dedication to service. Your work changes lives, and I appreciate your commitment to creating a future where the promise of liberty, justice, and equity is made real for all throughout our Nation.

President Biden and I stand with you in the critical fight to provide everyone the opportunity to live their best life. We are taking significant and tangible steps to address gun violence, defend reproductive rights, tackle the climate crisis, address the burden of student debt, expand access to mental health services, and more. Together, we have made historic progress—and we are dedicated to continuing our work. Thank you for your partnership and leadership at a local, state, and national level. May this conference motivate you to continue leading with conviction and serving our communities with care.
